**WANT ANOTHER
FLEET, NOT A
DIVIDED ONE**

SAN DIEGO, California, September 23.—Naval men generally, and Secretary of the Navy Meyer particularly, are much in sympathy with Rear-Admiral Evans' declaration in favor of a big Pacific fleet, according to a special from Washington, D. C., printed here today. The special says they want to see the new fleet provided for by additions to the Navy and not by a division of the present force.

Senator Perkins, chairman of the Senate naval affairs committee, is quoted as being strongly in favor of the projects. Officers of the Navy now in Washington refuse to be quoted, but they declare that President Taft and Secretary Meyer are for more battleships, and that when they are granted there is no doubt the Pacific Coast will be given a strong fleet. The special says Secretary Meyer came out definitely in a public speech in Boston as being in favor of two fleets, one for the Atlantic and one for the Pacific. He says:

"The really effective and honorable method of avoiding war is to be prepared for war by the possession of an efficient up-to-date and thoroughly equipped fleet of battleships, both on the Atlantic and the Pacific oceans. Our naval armament should be so provided that eventually we shall have a force of battleships in each ocean equivalent to that which we now have in the Atlantic."

WHAT TO DO.

When a cold becomes settled in the system, it will take several days' treatment to cure it, and the best remedy to use is chamberlain's Cough Remedy. It will cure quicker than any other, and also leaves the system in a natural and healthy condition. For sale by all dealers. Benson, Smith & Co., Ltd.

For 1911

The patrons of this Company will save annoyance and avoid disappointment by handing in their orders NOW for account books for next year.

An early order will give us time to turn out work that will be satisfactory to us and our customers. A seasoned book will live to a greater age than one green from the bindery, a condition with which the "old guard" of bookkeepers is familiar and the new men are getting acquainted with. Your orders placed with us now will enable us to avoid any rush at the holiday season.

Don't be the last man in with your order. Get it off your mind today and throw the responsibility on our shoulders. We have no word to say regarding the quality. Twenty-five years of superior book binding talks for itself.
